

# Data Privacy Notice

XE Money Transfer is provided by Continental Exchange Solutions, Inc. doing business as Xe (the “Service”).

In this Privacy Notice we explain how we collect and use your personal information that we obtain when you use our services, visit or use our websites or mobile applications or otherwise interact with us in the United States of America, how we share your information and the steps we take to protect your information.

## Notice to California Residents

If you are a California resident, California law may provide you with additional rights regarding our use of your personal information. To learn more about our data collection practices and your California privacy rights, visit the [CCPA Privacy Notice](#).

### 1. Who we are and the application of this Privacy Notice

This Privacy Notice applies to Continental Exchange Solutions, Inc. doing business as Xe (“we”, “our” or “us”), a subsidiary of Euronet Worldwide, Inc. (“Euronet”). Further details on Euronet and the companies within the Euronet group (the “Euronet Group”) are available at: <http://www.euronetworldwide.com>.

XE Corporation is our affiliate within the Euronet Group.

We are committed to the privacy and security of your personal data. This Privacy Notice describes how we collect and use personal data, in accordance with applicable law and our standards of ethical conduct.

Continental Exchange Solutions, Inc. doing business as Xe which is a company incorporated in the state of Kansas with its registered office at 7001 Village Drive, Suite 200, Buena Park, California 90621 will be the “data controller” in relation to any personal data provided to us directly via email, phone, and post or via [transfer.xe.com](http://transfer.xe.com) (the “Website”). This means that we are responsible for deciding how we will hold and use personal data about you.

The Euronet Group Data Protection Officer can be contacted in writing at [DPO@xe.com](mailto:DPO@xe.com) or Calle Cantabria, 2 28108 Alcobendas, Madrid, Spain or by telephone +34 912868268.

By using or navigating the Website or the Service, you acknowledge that you have read, understand, and agree to be bound by this Privacy Notice. You should not provide us with any of your information if you do not agree with the terms of this Privacy Notice.

If your Money Transfer account is held jointly with another person, this Privacy Notice applies to both joint account-holders individually and together.

We encourage you to review and check the Website regularly for any updates to this Privacy Notice. We will publish the updated version on the Website and by continuing to deal with us, you accept this Privacy Notice as it applies from time to time.

### 2. Data Protection Principles

“Personal data” means any information that enables us to identify you or the beneficiary of your transaction with us, directly or indirectly, such as name, email, address, telephone number, any form of identification number or one or more factors specific to your or your beneficiary’s identity.

We are committed to complying with applicable data protection laws and will ensure that personal data is:

- Used lawfully, fairly and in a transparent way;
- Collected only for valid purposes that we have clearly explained to you and not used in any way that is incompatible with those purposes;
- Relevant to the purposes we have told you about and limited only to those purposes;
- Accurate and kept up to date;
- Kept only as long as necessary for the purposes we have told you about; and
- Kept securely.

### 3. What personal data do we collect and how do we collect it?

#### Personal data you give us

We may collect personal data when you give it to us, including when you indicate that you would like to receive any of our Services, when you register with us, when you complete forms online, when you speak with us over the telephone, when you write to us, when you visit the Website and, in certain circumstances as set out in this Privacy Notice, when you have provided your information to a related company operating under the HiFX brand or xe.com or XE brand (each a “XE Company” and together the “XE Companies”). We will also collect details of transactions you carry out through the Website and of the fulfilment of such transactions.

We may collect and process the following personal data:

- Personal details, such as data which may identify you or the beneficiary of your transaction with us. This may include your name, title, residential and/or business address, email, telephone and other contact data, date of birth, gender, images, signature, passport/visa details; and names and personal details of beneficiaries of transactions (“Identity Personal Data”);
- Financial details, such as data relating to you and your beneficiary’s payment data and bank account obtained for the purposes of money transfers (“Transaction Personal Data”);
- Additional details requested by law enforcement or requested pursuant to our compliance procedures in connection with efforts to prevent money laundering, terrorist financing and criminal activity, such as relationship to the beneficiary of the transaction, the purpose of the transaction and proof of funds (“Compliance Personal Data”); and/or
- Information from which you may be indirectly identified, such as a client identification number or online identifier (“Indirectly Identifiable Personal Data”).

#### Cookies and similar technologies

When you use our Website or mobile apps we collect information via cookies and similar technologies, including the IP address of visitors, browser type and version, time zone setting, browser plug-in types and versions, operating system and platform. We may use this data for the following purposes:

- To measure the use of our Website and services, including number of visits, average time spent on a website, pages viewed, page interaction data (such as scrolling, clicks, and mouse-overs), etc., and to improve the content we offer;
- To administer the Website and for internal operations, including troubleshooting, data analysis, testing, research, statistical and survey purposes; and
- As part of our efforts to keep the Website safe and secure;

Due to their core role of enhancing or enabling usability or site processes, disabling cookies may prevent you from using certain parts of our Website. It will also mean that some features on our Website will not function if you do not allow cookies

For more information please read our Cookie Policy.

### 4. How we use your personal data?

We have summarised below the ways in which we may use your personal data and our basis for such usage:

How we use personal data	Our basis for using your personal data
<b>Registration and administration.</b> We may use <b>Identity Personal Data</b> and/or <b>Compliance Personal Data</b> to enable you to register with us and, once your registration with us is complete, for the administration of your account, to contact you, to update our records about you, and to respond to and process your queries and requests.	Taking steps prior to entering into a contract with you. Performance of a contract with you.

## How we use personal data

## Our basis for using your personal data

**Requesting access to tools and information.** You may wish to have access to certain tools and information made available on Our Website before or after you decide that you would like to register to use the Services, including our foreign exchange and payment service. We may collect **Identity Personal Data** as part of this access and use **Identity Personal Data** so that we can supply you with information about our Services and relevant market information.

Taking steps prior to entering into a contract with you.  
Performance of a contract with you.

**Supply of our Services.** We may use **Identity Personal Data, Transaction Personal Data** and/ or **Compliance Personal Data** so that we can supply you with our Services which you use or have requested and to meet our contractual obligations to you.

Performance of a contract with you.  
Your consent for us to process your personal data for the purposes of supplying you with the Services.

**Service communications.** We may use **Identity Personal Data** and/or **Transaction Personal Data** to notify you about changes or developments relating to our Services which you used or have requested.

Necessary to comply with a legal obligation.  
Necessary for our legitimate interest to notify you about changes or developments relating to our products and services which you use or have requested.

**Compliance.** We may use **Identity Personal Data, Transaction Personal Data** and/or **Compliance Personal Data** for our compliance purposes, including the prevention and detection of crime, tax evasion or fraud.

Necessary to comply with a legal obligation.

**Recording of telephone calls.** We may monitor and record our telephone calls with you (which may involve **Identity Personal Data, Transaction Personal Data** and/or **Compliance Personal Data**) and we may use any transcripts of these calls so we can be sure we understand the instructions you give us and so we have a clear record of the products and services you have requested.

Necessary to comply with a legal obligation.  
Performance of a contract with you.

**Marketing.** In certain circumstances, we may use your **Identity Data** to contact you with marketing communications in relation to the Services or the services and products of XE Companies (which may include XE Corporation).

See section 10 below.

**Profiling.** XE may combine **Indirectly Identifiable Personal Data** with other information generated during the use of our Services to create individual profiles for customers through automated processes.

For further details see Section 12 below.

Necessary for our legitimate interest to enhance the customer experience by allowing for better use of our services.

### Non-identifiable data

Whenever possible, we use data from which you cannot be identified directly (such as IP addresses and anonymous demographic data) rather than personal data. This non-identifiable data may be used to tailor your experiences with the Services by showing content in which we think you will be interested and displaying content according to your preferences. We may use aggregate data for a variety of purposes, including analyzing user behavior and characteristics in order to measure interest in (and use of) the various portions and areas of the Services. We also may use the data collected to evaluate and improve the Services and analyze traffic to the Services.

In some circumstances we may anonymize your personal data so that it can no longer be associated with you, in which case we may use such data without further notice to you.

## 5. Is data collected shared with third parties?

### XE Companies

We may share your personal data with other XE Companies (including XE Corporation in Canada) in order to enable or facilitate us to provide you with any of the Services you have requested, where you have asked us to do so, to provide the Services to you outside of normal US business hours and, where you have consented and not withdrawn your consent, for the XE Company's direct marketing purposes.

### Euronet Group

We may share your personal data with Euronet and affiliates in the Euronet Group (some of which are based inside the European Economic Area (EEA) and in Canada and the United States – further details are set out at the end of this section 5) for the purposes, or to enable or facilitate the purposes, set out in section 4 of this Privacy Notice. This may include sharing your personal data within the Euronet Group for compliance purposes.

### Aggregated statistical analysis

We may use statistical analysis of aggregate data to inform advertisers of aggregate user demographics and behaviour, as well as the number of users that have been exposed to or clicked on their advertising banners. We will provide only aggregate data from these analyses to third parties.

### Third party service providers

We may share personal data we collect with the following third-party service providers to manage, enable or facilitate certain aspects of the Services we provide.

- Compliance verification service providers.
- Financial services providers, such as banks.
- Credit control or debt collection agencies.
- Communication fulfillment providers, to facilitate our communications with you.
- Fraud Prevention Agencies - The personal information we have collected from you will be shared with fraud prevention agencies who will use it to prevent fraud and money-laundering and to verify your identity. If fraud is detected, you could be refused certain services, finance, or employment. Further details of how your information will be used by us and these fraud prevention agencies, and your data protection rights, can be found at [www.cifas.org.uk/fpn](http://www.cifas.org.uk/fpn).

We have safeguards in place with such third party service providers requiring them to protect your personal data.

#### Corporate process

We may transfer your personal data to a third party as a result of a sale, acquisition, merger, or reorganization involving Euronet, a company within the Euronet Group, or any of their respective assets. In these circumstances, we will take reasonably appropriate steps to ensure that your information is properly protected.

#### Legal and regulatory

We may also disclose your personal data in special cases if required or requested to do so by law, court order, or other governmental authority, or when we believe in good faith that disclosing this data is otherwise necessary or advisable, such as to identify, contact, or bring legal action against someone who may be causing injury to – or interfering with our rights or property, our services, another user, or anyone else that could be harmed by such activities (for example, identify theft or fraud).

#### Referral

You may sometimes ask us about, or we may sometimes ask you if you are interested in, products or services which we are unable to provide but which someone else we know (a “Contact”) may be able to provide. We will never pass your information to a Contact unless you have asked us to do so. Please note that we are not responsible for and cannot be liable to you for any products or services of any Contact or any acts or omissions of any Contact.

In addition, where we have received your contact details and other personal data as a result of a referral, we may pass your personal data back to the relevant referrer for the specific purpose of commission reporting.

#### Sharing personal data outside the United States

The nature of our products and services means that we may need to share your personal data with recipients based in countries outside of the United States, including in the EEA and outside the EEA. The countries to which we may need to send your information would normally be obvious to you based on your requested transaction.

As explained above, we may share your personal data within the Euronet Group, which may involve transferring your data outside the United States. If our use of third-party service providers involves sharing your personal data outside the USA, we will ensure the service provider provides safeguards and assurances regarding the protection of your personal data.

## 6. How long is your personal data retained?

Personal data is used for different purposes and is subject to different standards and regulations. In general, personal data is retained for as long as necessary to provide you with services you request, to comply with applicable legal, accounting or reporting requirements, and to ensure that you have a reasonable opportunity to access the personal data.

To determine the appropriate retention period for personal data, we consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorized use or disclosure of your personal data, the purposes for which we process your personal data and whether we can achieve those purposes through other means, and the applicable legal requirements. For example:

- Legal and regulatory requirements. We will retain your personal data for a period after closure of your account with us or the last transaction we carried out for you, based on legal and regulatory requirements, our compliance procedures and legal limitation periods. Generally, this retention period will be a minimum of six years.
- Customer service. If you provide us with your personal data but do not have an account with us, we will (subject to any legal or regulatory considerations) retain your personal data for as long as necessary to deal with your query (for example, to address your questions in the event of an unsuccessful application).

## 7. Is correspondence that you send to us saved?

Yes. If you send us correspondence, including e-mails, we may retain such data along with any records of your account. We may also retain customer service correspondence and other correspondence involving you, us and any XE Company, our partners, and our suppliers. We will retain these records in line with our retention policy.

## 8. Data Security

We are committed to maintaining the security of your personal data and have measures in place to protect against the loss, misuse, and alteration of the data under our control.

We employ modern and secure techniques to protect our systems from intrusion by unauthorized individuals, and we regularly upgrade our security as better methods become available.

Our datacenters and those of our partners utilize modern physical security measures to prevent unauthorized access to the facility. In addition, all personal data is stored in a secure location behind firewalls and other sophisticated security systems with limited (need-to-know) administrative access.

All our employees who have access to, or are associated with, the processing of personal data are contractually obligated to respect the confidentiality of your data and abide by the privacy standards we have established.

Please be aware that no security measures are perfect or impenetrable. Therefore, although we use industry standard practices to protect your privacy, we cannot (and do not) guarantee the absolute security of personal data.

## 9. Does this Privacy Notice apply to other websites?

No. Our Website ([transfer.xe.com](http://transfer.xe.com)) may contain links to other Internet websites. By clicking on a third-party advertising banner or certain other links, you will be redirected to such third party websites.

We are not responsible for the privacy policies of other websites or services. You should make sure that you read and understand any applicable third-party privacy policies, and you should direct any questions concerns to the relevant third party administrators or webmasters prior to providing any personal data.

## 10. Direct marketing

We or an XE Company may sometimes contact you (by email, SMS text, letter or phone) in order to provide targeted marketing about our Services or the services of another XE Company or Euronet Group. Such marketing communications will only be sent to you if you gave your consent (when you registered for our Services or at another point) and you have not withdrawn such consent or if there is another basis to send such communications to you (for example, in certain circumstances, we may send marketing communications solely about our Services to existing customers using contact details we have obtained directly from the customer during the course of registration or the provision of our Services to them, provided they have not previously unsubscribed from such communications).

All marketing e-mails you receive from us will include specific instructions on how to unsubscribe and you may unsubscribe at any time.

Additionally, you can unsubscribe from marketing by contacting us at [transfers.na@xe.com](mailto:transfers.na@xe.com) or by amending your marketing preferences within your account.

You should note that we are opposed to third-party spam mail activities and do not participate in such mailings, nor do we release or authorize the use of customer personal data to third parties for such purposes.

## 11. Remarketing on the Website and App

If you have provided your consent by accepting Targeting Cookies on the Website or enabled Targeting on the App, we may use Google AdWords (remarketing and Similar Audience features) and Facebook Ads. You can review the XE cookie policy at [transfer.xe.com](http://transfer.xe.com), which includes details on how to customize your cookie settings.

### Google AdWords

Google AdWords enables Google, through the use of cookies, to identify the fact that you have visited the Website / App, to identify aspects of your usage of the Website / App and combine that with what it knows about your usage of other websites in the Google ad network.

We use these services to advertise to visitors of Google ad network websites who have previously visited our Website / App or who Google deems to have shared interests with visitors of our Website / App. Google's collection and use of your personal data is covered by the Google privacy policy. You can set preferences for how Google advertises to you using the Google Ad Preferences page.

#### Facebook Ads

We make use of Facebook Ads to allow us to better serve relevant advertising to our customers on the Facebook social media platform. Through the use of cookies, we can identify aspects of your usage of the Website / App which can allow Facebook to identify which XE ads could be more relevant to you.

You can review the Facebook privacy policy at [www.facebook.com/privacy/explanation](http://www.facebook.com/privacy/explanation) and modify your Facebook Ad Preferences at [www.facebook.com/ads/preferences](http://www.facebook.com/ads/preferences) for ads shown to you by Facebook.

## 12. Profiling

Through automated processes we may create individual profiles for customers based on a combination of Indirectly Identifiable Personal Data and other information gathered through our customer's interaction with our Services. We may use such profiles to better understand the ways in which you use our Services. In addition, we may send personalized communications to you based on a profile (including pricing offers in relation to the Services or the services and products of XE Companies which may include XE Corporation, Inc.), if we have a basis to send such communications in accordance with this Privacy Notice (see Section 10 above).

You have the right not to be subject to profiling, and you can exercise this right by contacting us in writing at [transfers.na@xe.com](mailto:transfers.na@xe.com) or [dpo@euronetworldwide.com](mailto:dpo@euronetworldwide.com).

## 13. What are my data protection rights?

Subject to verification of your identity, you may request access to and have the opportunity to update and amend your personal data. You may also exercise any other rights you enjoy under applicable data protection laws.

"Data Subjects" have the right to:

- Request access to any personal data we hold about them ("Subject Access Request") as well as related data, including the purposes for processing the personal data, the recipients or categories of recipients with whom the personal data has been shared, where possible, the period for which the personal data will be stored, the source of the personal data, and the existence of any automated decision making;
- Obtain without undue delay the rectification of any inaccurate personal data we hold about them;
- Request that personal data held about them is deleted provided the personal data is not required by us, an XE Company or the Euronet Group for compliance with a legal obligation under applicable law or for the establishment, exercise or defence of a legal claim;
- Under certain circumstances, prevent or restrict processing of their personal data, except to the extent processing is required for the establishment, exercise or defense of legal claims; and
- Under certain circumstances, request transfer of personal data directly to a third party where this is technically feasible.

## 14. Complaints procedure

Where you believe that we have not complied with our obligations under this Privacy Notice, or the applicable law, you may have the right to make a complaint to a Data Protection Authority or through the courts.

Although not required, we would encourage you to let us know about any complaint you might have and we will respond in line with our complaints procedure – our contact details are set out in Section 15 below. For more information regarding our complaints procedure, please read our Complaints Charter.

## 15. Contact Us

If you have any questions or concerns about this Privacy Notice or our data practices, please contact us by email at [privacy@xe.com](mailto:privacy@xe.com) or 7001 Village Drive, Suite 200, Buena Park, California 90621

Any complaints will be handled in line with our complaints procedure as set out in Section 14 of this Privacy Notice.
